Power that helps people

Now, more than ever, we need solutions that are responsive, cost-effective, and compassionate.

SMUD's rates are more than 35% lower than PG&E.

No blackouts or public safety power shutoffs.

Eliminated late fees and turning off service for nonpayment.

Expanded the Energy Assistance Program for Low Income Households.

SMUD Offers flex payment programs to customers powering medical devices.

Because we place people over profits, SMUD's rates are about 35 percent lower than PG&E, with no blackouts or public safety power shutoffs.

“ SMUD is our not for profit, community-owned, utility company, and I'm honored to be your SMUD representative.

Call me at (916) 799-3121 and let's talk about what we can do to provide earth-friendly energy, preserve our national resources, and lower electric bills. ”
